**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

This is bogus and a money grabbing maneuver. Please do not stifle competition. Sonic is the best thing to happen to internet in SF and you guys might end up destroying it. Please do the right thing and stop supporting monopolies for communications. This is how we end up with shitty Comcast as our only option.

Thanks.
